ORDER—No. 2400 W., dated 16th September 1898.

Under paragraph 218-B of G.O.C.C., No. 22, dated 1st April 1896, communicated by the Quartermaster-General in India with his letter, No. 1608-B., dated 26th May 1896, the schedules of demands for 1899–1900 on account of military works at stations in charge of the Public Works Department will be forwarded to the Director-General of Military Works. Statement A shows the requirements for major original works in progress, minor works, repairs, establishment and tools and plant; and statement B contains a list of new major original works, arranged in order of urgency, which can be undertaken during the year, if funds be made available.

2. Sums of Rs. 5,000 for minor works and Rs. 50,000 for repairs have been entered, these amounts being those usually provided under these heads.

3. As in previous years, no provision has been made on account of Commissariat and Ordnance works, the existing procedure in regard to such works not being affected by the revised rules.

4. The Superintending Engineer, IV Circle, will at once arrange for the preparation of the plans and estimates for the work "constructing quarters for the Medical officer at Calicut" included in statement B.
