READ—the following paper :—

From G. H. D. WALKER, Esq., Under Secretary to the Government of India, Public Works Department (General), to the Secretary to the Government of Madras, Public Works Department, dated Simla, the 19th August 1898, No. 2581 G.

With reference to correspondence ending with your letter, No. 1240 W., dated the 16th May 1898, regarding the grant of a deputation allowance of one-fifth salary, for a period of one year, to the Upper Subordinates employed in the Lighthouse division, Madras, I am directed to state that, as a regular Public Works division has been formed, and the men attached to it are general service men, the Government of India consider that the case is not one for the grant of a deputation allowance. They are however pleased to sanction the grant of a local allowance of one-fifth of their pay to the Upper Subordinates of the Lighthouse division, with the limitation that the sanction now accorded is *not* to extend to Sub-Engineers, first grade, as the pay of this class being Rs. 400, a local allowance of one-fifth pay would require the sanction of the Secretary of State.

ORDER—No. 2402 W., dated 16th September 1898.

Communicated to officers concerned, with reference to G.O., No. 130 W., dated 18th January 1898.

2. The Government of India will be requested to state the date from which the local allowance should be passed. Meanwhile, it will be paid from the date of the foregoing letter.
