Mackenzie is being passed through the Press by Mr. S. F. Pears.

A large number of plans to be embodied in the history are said to be unsuitable for reproduction by photo-zincography, and require to be redrawn, and for this purpose the Supt. Madras Survey requires the services of a draftsman on Rs. 20/- for two months.

A similar sanction was given in the case of the history of the Kistna Delta Works drawn up by Mr. Walsh.
