Sir,

I am directed to state that, in connection with the

construction of a proposed
new lightbouse at Manapad,
in the Tinnevelly district, it
has been found impossible to
obtain ~~any contractor to burn~~
bricks of sufficiently good
quality in the neighbourhood, since
Manapad is in a sandy pal-
myrah desert, there are no
roads, the nearest brick field
is far off, and the cost of
carriage by land is prohibitive.
Inquiries were made as to
the cost of conveying bricks
from Madras, but coasting
boats will not go from
Madras to so distant a
place except at exorbitant
rates. As the best solution
of the difficulty, the Super-
intendent of Works, Light
House Division, ordered
Mr: C. W. Plummer, Over-
seer 1st grade, of his division,
to proceed to Colombo, via
Tuticorin, to endeavour to
procure bricks there, and
as this journey is to a place
beyond the limits of the
jurisdiction of this Govt.,
[illegible]

volving a short sea journey,
I am directed to request
that the Government of
India will be good enough
to sanction the travelling
expenses of the Overseer
from Tuticorin to Ceylon
and back.
