3. The allotments made under Petty construction and repairs were utilized to a satisfactory extent during the year under report in all the districts except Ganjam, Kistna and South Canara.

4. The Collector of Ganjam states that the short expenditure in his district is due to the non-utilization (1) of Rs. 100 provided for the removal of sand which accumulates in front of the Customs buildings at Gopalpur and (2) of Rs. 157 out of the allotment of Rs. 250 provided for the maintenance of the casuarina plantation at Baruva. The amount provided for the former work was not required as sand did not accumulate to any great extent during the last strong winds, and what gathered was removed by the Local Fund officials and the roadway in front of the office kept clean. The allotment for the other work could not be fully utilized as the new plants were set out only in January last. The Collector of Kistna does not state why the Rs. 75 provided for expenditure was not utilized. The Collector of South Canara states that the short
