Sir,

Enclosures.

In G. O. No. 1971, n^o dated 5th August 1898.

in para 3, I was instructed to report progress on the Hostel work by the end of September. I have the honour to inform you that owing to the plan^x not having been returned to me, I had to prepare in this office a fresh one, and the necessary tracing for laying out the work was not ready till the 5th Instant - I report this to explain that much progress cannot well be shown by the end of the month, but it may be accepted as certain that the work will rapidly progress.

I have the honor to be
Sir

Your most obedient servant
