Original Works	36,000	3,60,000	3,78,000	3,68,713	The expenditure up to the end of August last, i.e., during the first five months of the current official year amounted, according to the actuals reported by the Accountant-General, to Rs. 1,05,959-2-2, and the average of the last three years exclusive of establishment charges comes to Rs. 3,55,702. The revised estimate on account of works is accordingly fixed at Rs. 3,60,000. As sanction to the increased establishment applied for in G.O., No. 696, Revenue, dated 7th December 1896, is not likely to be received during the current year, the revised estimate on account of establishment, &c., has been fixed at Rs. 40,000 with reference to the actuals of previous years. For the next year, Collectors estimate the requirements under "Original Works," and "Repairs and Maintenance" at Rupees 41,000 and Rs. 3,85,000 including charges on account of establishment. The budget estimate may be fixed at Rs. 4,25,000, including the provision of Rs. 72,000 made for the increased establishment recommended in the Government Order referred to above. An allotment of Rs. 35,000 was sanctioned for the current year in G.O., No. 890, Financial, dated 17th December 1896, to meet expenditure by the Public Works Department on works in charge of the Revenue Department. The revised and budget estimates have been fixed at the same figure.
