The Chief Engineer

Public Works Department

Madras.

Sir,

Enclosures.

I have the honour to report that Rs 230
of the Budget grant for repairs to the Senate
House may be replaced at the disposal of
the Syndicate as Rs 800 will be sufficient for
the repairs to be done during the current Office
year. If the walls and gates for closing the road
surrounding the Senate House referred to in
your No 778 dated 7th February 1898 ^{are} ~~is~~ sanc-
tioned at once the total grant can be fully
utilized; I would ask if a legal right of
way through the Compound may not be
established, unless gates are shortly put up.

I have the honour to be

Sir

Your Most Obedient Servant
