Sir,

Referring to your letter No. 2100 W, dated 16th August, 1898, requesting that the new pipes and joints for the Buckingham Canal dredger may be countermanded if not too late, I have the honour to inform you that the Temperley Transporter Co. have specially made these articles for the dredger, and they are now in course of shipment.

The Consulting Engineer reports that they are of no use to the makers and suggests that they should be sent and kept as duplicate parts.

In these circumstances the shipment will be proceeded with.

I have the honour to be, Sir,

Your obedient Servant,

Grant

Referring to your letter No. 2100 W, dated 12th

August, 1958, regarding the new pipes and joints for

the Buckingham Canal, I regret that we cannot undertake it at

the time. I have the honor to inform you that the

Executive Engineer, B.C., has specially made these

arrangements for the purpose, and they are now in course of

completion.

The Government Engineer reports that they are at

the use of the material and suggest that they should be done

and kept as a reserve.

In those circumstances the Ministry will be
