ENCLOSURE.

EXTRACT, paragraph 1, from Government of India, Public Works Department, letter No. 2032 G., dated the 30th July 1897, to the Director-General of Telegraphs.

In reply to your letter No. * * * *, I am directed to state that the orders contained in Public Works Department Resolution No. 398 G., dated 7th February 1895, are applicable to the grant of all local allowances, and that they mean that the allowances are admissible only to officers who have their head-quarters within the tracts for which local allowances are sanctioned, and not to officers merely travelling in those tracts. The continuance or otherwise of local allowances during absences from localities where such allowances are admissible is governed generally by the rules of the Civil Service Regulations (Articles 78 and 300). It may be added that in all cases where the contrary has not been specified, the original intention in sanctioning local allowances for any locality was that they should be admissible only to officers having their head-quarters within such locality, and to this extent the orders conveyed in Public Works Department No. * * * *, should be held to have been superseded by the order of 7th February 1895.
