Hospitals for the treatment of infectious
Diseases

Pro: L & M Dept. Appointing a
Committee to consider the lines on which — in
Madras should be started & worked to submit plans
for estimates for the hospitals, and authorising the Committee
to employ a clerk his salary to the Contingent
Expenditure being met from Municipal funds,
Communicated to the Cons: Architect.

BACK PAPERS.

FURTHER PAPERS.

management of buildings as its guide. The carrying out of this proposal, I consider, would be conducive to a speedy and satisfactory settlement of the scheme.

2. I have not proposed myself in the Committee since as adviser to Government, I have to report on the scheme, but I would be most happy at any time to meet the Committee and give them any advice that may be required.

3. I submit this through the President of the Municipal Commission in order that he ^{may} submit any suggestions he thinks fit on the subject.

Order No. 1000 P.O. dated 27th October 1900.

His Excellency the Governor in Council resolves to appoint a Committee consisting of --

President

The President of the Madras Municipality

Members

The Senior Medical Officer of the General Hospital

The Sanitary Commissioner

The Consulting Architect.

Secretary

The Health Officer of the Madras Municipality.

to consider the lines on which hospitals for the treatment of infectious diseases in Madras should be started and worked and the accommodation which should be provided in them and to furnish plans and estimates.

4. The Committee may employ a clerk on a salary to be fixed by the President, and the expenditure on this account and for contingencies will be met from the Municipal funds.
