an estimate of Rs 5890 for fencing the foreshore at Zutemni was sanctioned, and the cost ordered to be debited to Provincial and Port Funds in equal proportion. In the current year's excluded Local Fund budget a sum of Rs 1000 has been provided for the above work under "Minor Original Works", but the amount of the estimate being more than Rs 2500, it was sanctioned under the head "Major Original Works". The S.E. now requests to transfer the above provision to the latter head, and to supplement it by Rs 1945 from the reserve under Port Funds and Rs 2945 (one-half of the cost) from the Provincial reserve.

2. The S.E. reports that an estimate for a shed ^{shed} and a platform at Zutemni was forwarded to the collector for submission to Govt, but that it will have to be modified with reference to the proposals ordered to be made by the Committee appointed under G.O. No 358 dated 7th May 1898. The sum of Rs 900 provided for the work may therefore be accepted.
