The D. S. of stores  
asked to be informed of  
the weight of each bar,  
but the Genl. Supt. says  
nothing about the weight  
in his report on the  
O. S. letter.

Perhaps T might  
supply the information if  
it is thought that it  
should be mentioned  
in the reply to the D. S. of
