EXPLANATORY REMARKS.

- (a) Includes arrears left undrawn during the previous year.
- (b) Provides for arrears unclaimed in the previous year.

The decrease in the actuals is due to the non-drawal of the allowance in consequence of the death of the pensioner on the 20th August 1897. The Revised Estimate for 1898-99 has consequently been increased by the undrawn balance.

These allowances are not regularly drawn. The revised is based chiefly upon the available actuals of the current year.

(c) Rs. 38,000 due for 1897-98, was paid only in the current year; hence the increase in the Revised Estimate.

EXPLANATORY REMARKS.

The Budget Estimate provides for payments to be made to the Travancore State in connection with the camps taken over by the British Government for the Periyar Project. The payment which is annual will not be made in any year when the net Revenue falls short of the cost incurred in collecting it and in administering Police and Criminal Jurisdiction. No payment is expected to be made in the current year.
