Paragraph 2 of the despatch from the Secretary of State, No. 133 of 1898, which runs as follows:—

"2. I do not doubt the prolongation, now sanctioned, was necessary. But it is not desirable that the financial control of the Secretary of State in Council should be practically rendered nugatory by the failure of the Local Government to apply in time for sanction to the continuation of a special temporary appointment beyond twelve months."

RESOLUTION.—In the orders of March 1886, read in the preamble, the Governor General in Council directed that in future applications for the renewal of the sanction given to temporary appointments, which would require a reference to Her Majesty's

Government, should be made to the Government of India in sufficient time to admit of their consideration and report to Her Majesty's Government before the termination of such sanction. These orders are not always observed, and delays, such as that noticed by the Secretary of State in referring, for orders, the continuance of temporary appointments for which the sanction of the Government of India or of the Secretary of State is required, have recently occurred in several cases. His Excellency in Council therefore desires that the remarks of the Secretary of State quoted in the preamble may receive due attention, and that every endeavour be made to apply for sanction to the continuance of temporary appointments and deputations or allowances in sufficient time to prevent his sanction having to be anticipated.

ORDER.—Ordered that a copy of this resolution be forwarded to the several Departments of the Government of India for information; to the several Local Governments and Administrations, and also to the Heads of Departments, subordinate to this Department, for information and guidance.

No. 1326, dated Calcutta, the 19th March 1886.

RESOLUTION.—By the Government of India, Finance and Commerce Department.

Read paragraph 2 of Despatch from Her Majesty's Secretary of State for India, No. 13, Financial, dated 21st January 1886:—

Your proceedings are confirmed, but with reference to the despatches to your Government noted in the margin, I desire to point out that the application of the Local Government for a continuance of this appointment should have been submitted to your Excellency before the expiration of the period for which sanction was given in September last, in sufficient time to admit of the proceedings of your Government being reported to me at an earlier date.

RESOLUTION.—Delays, such as that noticed by the Secretary of State in referring for orders the continuance of temporary appointments for which the sanction of the Government of India and of the Secretary of State is required, are frequent and often cause inconvenience. The Governor General in Council desires that in future applications for the renewal of the sanction given to temporary appointments which require a reference to Her Majesty's Government should be made to the Government of India in sufficient time to admit of their consideration by the Government of India and report to Her Majesty's Government before the termination of the sanction renewal of which is required.

ORDER.—Ordered, that a copy of this Resolution be forwarded to the several Departments of the Government of India for information, and to the several Local Governments and Administrations, and also to the heads of several Departments subordinate to the Finance Department, for information and guidance.
