READ ~~the following paper:~~

Again G.O.R.No.35,dated 31st January 1898, communicating to the Resident in Travancore and Cochin proceedings,Public Works department, regarding the necessary steps to be taken to prevent surplus water from the Kumili tank flowing to the water-shed cutting near the head of the Periyar Tunnel.

Read also the following papers:

Proceedings of the Public Works Department, No. 208 *g*,
dated 14th March 1898.

From the Resident in Travancore & Cochin, Ref.on.C.No.
871,dated 15th March 1898:-

With reference to G.O.R.No.35 Political,dated 31st January 1898, I have the honour to report for the information of Government that the Travancore Durbar has no objection to the surplus of the Kumili reservoir which now flows into the watershed cutting of the Periyar Lake being diverted in the manner proposed. The Dewan trusts,however, that the diversion will not interfere with communication along the road between Peermad and the British Frontier.

Order No. 219, dated 24th March 1898.

The letter from the Resident in Travancore and Cochin, Ref. No. C.No.871, dated 15th March 1898 will be

communicated

communicated to the Public Works Department.
