READ—the following papers :—

From Lieut.-Colonel O. V. BODDY, R.E., Superintending Engineer, VI Circle, to the Chief Engineer for Irrigation, dated Trichinopoly, 4th March 1898, No. 149 T.N.

I have the honour to inform you that the execution of the Tank Restoration Scheme works situated in Ottappidaram taluk, and noted in the margin, were entrusted to the Revenue Department in Tinnevely division, as most of the subordinates were then transferred to famine duty. I forward a copy of the Executive Engineer's letter No. 1442, dated 17th April 1897, on the subject, and, under the circumstances, I request that you will be good enough to obtain the sanction of Government to the procedure adopted, if such sanction is requisite, under paragraph 80, Chapter III, Vol. I, P.W.D. Code.

ENCLOSURE.

From M.R.Ry. W. MASILAMANI MUDALIAR, Supervisor, No. II Party, Tank Restoration Scheme, to the Executive Engineer, Tinnevely Division, dated 14th April 1897, No. 101.

I beg to report that I have submitted to the Chief Engineer for Irrigation, Tank Restoration Scheme, estimates for closing breaches in Iyenkulam of Olaikulam village and Suriamanikkankulam of the village of the same name, Ottappidaram taluk, and copies of them are herewith submitted.

2. I request for favour of early orders to close the breaches in anticipation of sanction.

They are not far from the limits of Tinnevely taluk, but there is now no subordinate in that taluk. It is therefore requested if the estimates may be sent to the Collector with a request to get them executed in his department.
