SIR,

I am directed to inform you that Her Majesty's Secretary of State for India has recently requested that any telegram recalling an officer to duty from leave in England may state whether it is desired that he should proceed to India at once by the quickest route, or should arrive in that country by a specified date. His Lordship has also stated that in the first case a passage from Brindisi will be secured, and the cost of the railway journey to Brindisi allowed; and that in the

2
second case, if time admits, a passage will be engaged from London to Bombay.

2. His Lordship has at the same time decided that, when an officer under civil leave rules is directed to proceed to India, in such circumstances, *via* Brindisi, he shall be allowed (as in the case of an officer under military rules) the cost of conveying overland 80 lbs. of baggage; a similar concession will be made to officers who may be directed to proceed *via* Marseilles.

3. It has been further decided that in the case of an officer who is permitted to make his own arrangements for returning to India, the allowance in lieu of passage from London will be £45, and no further payment will be made.

4. To enable the Government of India to comply with the directions of the Secretary of State referred to in paragraph 1, I am directed to request that the information therein stated may invariably be supplied when requesting the recall to duty in India of an officer on leave in England.

I have the honour to be,

SIR,

Your most obedient Servant,

Chitra Chandra

Under Secretary to the Government of India.
