PUBLIC WORKS DEPARTMENT.

Establishment.

READ—the following paper:—

Office-note from the Examiner, Public Works Accounts, dated Madras, 28th October 1898, No. 1271 A./E.

The Superintending Engineer, I Circle, has asked me whether the entries in the service book of an employé in the Public Works Department who is transferred from one division to another should be verified in the division from which he is transferred according to rule V of the Rules circulated with G.O., No. 2172 W., dated 9th August 1897.

2. If the requirements specified in paragraph 2 of the Examiner's office-note, No. 214 A., dated 28th September 1892, are rigidly observed, there would, in my opinion, be no necessity for the entries in the service books being again verified on occasions of transfer.

3. Should Government agree in the above view, I would recommend that it may be made clear by the issue of a Government Order explaining that the orders dispensing with the annual verification of service books in the Public Works Department (G.O., No. 894 W., dated 31st March 1898) are also applicable to the verification required by rule V of the rules communicated with G.O., No. 2172 W., dated 9th August 1897.

ORDER—No. 2932 W., dated 18th November 1898.

His Excellency the Governor in Council agrees with the view expressed in paragraph 2 of the Examiner's office-note read above. The orders issued in G.O., No. 894 W., dated 31st March 1898, dispensing with the annual verification of service books in the Public Works Department, are declared to be also applicable to the verification required by rule (v) of the Rules communicated with G.O., No. 2172 W., dated 9th August 1897.
