The Chief Engineer,  
P.W. Department.

Sir,

I have the honor to bring to your notice that in April last Mr. Malet entered into an agreement with Mr. Winn Mechanical Engineer under which he undertook to pay him Rs. 12/ a day for supervising the work to be done in sinking the well at the Central Jail, Coimbatore.

2. No report of this agreement was ever made by Mr. Malet and the first I heard of it was in letter No. 3350 of 9<sup>th</sup> August 1898 from Mr. Brulton, who relieved Mr. Malet in April 1898. Copies of Mr. Brulton's letter and its enclosure are submitted

for your information.

From subsequent correspondence with Mr. Burlton, I find that Mr. Winn was employed for 27 days in April and 6 in May and accordingly claims to be paid Rs 396. He was engaged in fitting, supervising the fitting up of the three engines, pulso-meters, and pumps, also in carrying out repairs to the machinery, and generally in conducting the operations necessary for unwatering the wells to enable the steaming to be put in.

4. Fortunately Mr. Burlton stopped all work soon after taking over charge and as Mr. Malet had no authority to engage Mr. Winn on the terms agreed upon, I have to request that the sanction of Government may be obtained for the payment to Mr. Winn of the amount due to him.

5. Mr. Burlton has just informed me that he will
