India Office,

Whitehall,

London, S.W.

25th August, 1898.

Sir,

With reference to the demands under items 93 & 94, of Madras annual Public Works indent No. 1 of 9th March, 1898, for six emery wheels 12" x 12", hole 1½" diameter, and six 12" x 12", hole 4" diameter, I have the honour to inform you that, having regard to the indent estimate of cost, it is assumed that the second dimension is a clerical error for 2" and that 12" x 2" wheels have been ordered accordingly.

The total cost will be £15. 12. 0 as against the indent estimate of £17. 8. 0. The cost of 12" x 12" wheels would have been £95. 16. 0.

I have the honour to be, Sir,

Your obedient servant,

Grant Auld

Director General of Stores.

The Secretary to Government,
Public Works Department,
Madras.
