To

I.

G.O.No.751 I dated 30th. September 1898.

Under the ruling contained in the Government of India letter 35 A-I dated 16th.June 1898,para 2,communicated with G.O.No.534 I dated 16th.July 1898,it seems necessary that the sum of Rs.315 now placed at the disposal of the P.W.D. should be treated as an addition to the grant for "45 Civil Works-Incorporated Local " for the current year; and with this view,the proceedings under reference should have been communicated to the Chief Engineer ,P.W.D. and to the Financial Department of the Madras Government.

This is unnecessary.

2. If there is no objection to the procedure indicated above,please arrange as suggested.
