READ—the following papers :—

From H. A. STUART, Esq., I.C.S., Acting Inspector-General of Police, Madras, to the Chief Secretary to Government, Ootacamund, dated 28th September 1898, No. 3678.

I have the honour to submit a supplemental estimate, amounting to Rs. 1,020, for re-roofing the Police station-house at Chintapalli in the Vizagapatam district.

2. An estimate, amounting to Rs. 4,700, for adding two rooms and three verandahs to this building, was sanctioned in G.O., No. 1120, Judicial, dated 6th July 1896. The Executive Engineer now reports that the whole roof of the building is very dilapidated, all the woodwork having been eaten by white ants, and he proposes to dismantle the roof and erect a new one of teakwood.

3. The construction of the rooms and verandahs is now in progress and the Executive Engineer says that the re-roofing, now estimated for, should be put in hand at the same time, as, otherwise, it will not be possible to do it till next cold weather; and the Superintending Engineer has accordingly directed the work to be started in anticipation of the sanction of Government. A copy of the Superintending Engineer's letter is enclosed.

4. For the reasons set forth above, I request that very early sanction may be accorded to the estimate.

No. 2330, Judicial.

Approved and transferred to the Public Works Department.

31st October 1898.

(Signed) A. R. KNAPP,
Ag. Under Secretary.

Note by the Chief Engineer, Public Works Department.

When the work was put in hand, it was found that the whole roof of the existing building was very dilapidated, all the junglewood and palmyrah reepers having been eaten by white ants. The Superintending Engineer accordingly forwards a supplemental estimate, amounting to Rupees 1,020, for a new roof, and has put the work in hand in anticipation of sanction.

2. The estimate is recommended for sanction under Original works, as supplementary to the estimate of Rs. 4,700 sanctioned in G.O., No. 2477 W., dated 27th August 1896.

The execution of the work was ordered by the P. E. in anticipation ^{of sanction} to the estimate.

The estimate was received ^{drop} countersigned by the Inspector General of Police approved by the Judicial Department and has been checked.

The rates are not in accordance with the District schedule but the P. E. remarks that "labour is scarce, working hours limited, and materials dear and have to be conveyed to workshop by coolies." Vide para 3 of P. G's letter No. 2377 of 16-6-96 embodied in G.O. No. 2477 W of 27-8-96.
