I beg to bring the few following
lines for your kind consideration

I was entertained in the department in May 92 as a temporary clerk to Sagiler Sub Division and Confirmed in the grade of Clerk IV Class 3rd grade at the end of June 94 with orders to continue to work as Sagiler Sub Division Clerk

On my reversion to my permanent post I was transferred to Kurnool Division in 1896. I applied to the Executive Engineer Kurnool Division to sanction my increment but the Executive Engineer said that no increment could be given for the period I drew higher pay as a temporary

But now I find that N.E. Rengaswamy
moder in Cuddapah Division and Govinda-
rajaiah Chetty of Bellary Division were
granted increments of pay even for periods
that they drew higher pay on temporary
footings and so I request that my case
too may be taken into consideration and
increments granted to me even for the
period I was Bagil's Sub Division Clerk

Forwarded to the Executive Engineer
Cuddapah W. for favorable ~~disposal~~ ^{consideration}
The petitioner was permanently
appointed as clerk in June 1894.
The increment of pay annually, being
Rs 2, the clerk ought to be drawing
now Rs 28 but his pay is only Rs
24. This is due as the clerk states
to the fact that the period of his
service as regular subon. clerk on
a pay of Rs 30, was not taken into
consideration when the increment
was granted after his reversion &
transfer to Kundool Division, under
these circumstances the petitioner is
entitled to a Consideration.

2. The applicant was confirmed in his appointment as Clerk IV Class 3rd grade on 12-7-94 but he did not join till 17-12-95 as he held a higher appointment till 17-12-95.

He returned to his substantive appointment on the forenoon of 18-12-95 and therefore he should have drawn his first annual increment on 1-1-96 but somehow or other it was not drawn till 1-1-97 as will be seen from his Service Book sent by registered post.

The increments admissible to the Clerk were not drawn through some misapprehension of

of the facts, and I therefore request that you will be good enough to obtain orders of Government directing the Examiner P. W. Accounts to pass the increments with retrospective effect i.e. to count from the date he was confirmed in his present appointment.

I have the honour to be,
