Read the following paper:—

From the Director of Public Instruction, Madras, No. 7169, dated 2nd July 1898.

With reference to the enclosed copy of a letter from the Consulting Architect No. 720 dated 6th ultimo, I have the honour to request that you will be good enough to obtain the sanction of Government for the preparation of an estimate for laying a three inch pipe in the Old College Park. The water supply from the existing two inch pipe has of late been very scanty, and as it emits a most disagreeable smell, it may be dangerous to the health of the members of the establishments of the several offices located in the Old College premises.

O R D E R :—No. 691, dated 7th November 1898.

The preparation of the estimate is sanctioned.
