SUBJECT.

Note The Examiner reports that the present arrange-
ment of having one sweeper (under the orders of the Engrg
Architect) for the entire building comprising several
Offices is found to be unsatisfactory, as the
sweeper attends to each bath room only once a day (early morning).
He therefore requests sanction to the entertainment of a part-
time sweeper on Rs 3 per mensem. It is proposed to sanction the
application.

MADRAS PRESIDENCY.

Part II.

Tabular Statement to accompany proposals for changes in establishments.

1. All proposals for changes in the scales of permanent establishments must be accompanied by a statement in Part I of this form when the changes relate to the engineer or upper subordinate establishments and in other cases by a statement in Part II of this form.
2. The column headed "present scale" should invariably show the existing *sanctioned* scale (not the strength of the establishment as it actually stands at the time), and should be verified by the Examiner before the statements are forwarded to the sanctioning authority.

OFFICE NOTE No. 1265 ^{8/2}

To

W.

I beg that the sanction of Government may be obtained to the entertainment, in my Office, of a part-time sweeper on RS.3 per men^{sem}.

2. This I look upon as an absolute essential for the purpose of due attention being paid to the several bath rooms of my office. The present arrangement of having one sweeper (under the orders of the Consulting Architect) for the entire building comprising several offices and who attends to each bath room only once a day (early morning) is found to be most offensive and unsatisfactory, not to say insanitary. I need scarcely add that strict sanitary arrangements in connexion with a large office like mine are, more particularly at the present time, of the most vital importance.
