ENCLOSURE.

EXTRACT, paragraphs 1 and 2, of a letter No. 2872 G., dated Simla, 25th October 1898, from the Under Secretary to the Government of India, Public Works Department, to the Secretary to the Government of Burma.

I am directed to acknowledge the receipt of your letter No. 9816-77 E.G., dated 15th September 1898, requesting orders as to the method of calculating the proportion of Civil Upper Subordinates on whom the honorary rank of Assistant Engineer may be conferred under Public Works Department Code, Volume I, Chapter I, paragraph 93 (1).

2. In reply, I am to state that it is clear from the Code rule referred to that the distinction is to be conferred on Civil Upper Subordinates only, and, as the cadre of the Province does not provide for a fixed percentage of Military Subordinates, and is moreover not always worked up to, the calculation should be made on the actual number of Civil Upper Subordinates charged against the scale, that is to say the bestowal of the distinction is limited to 6 per cent. of the actual number of Civil Upper Subordinates.
