ORDER.

His Excellency the Governor

Govt No: 3071 W dt 29.11.98.

Ordered that the schedule of requirements for 1899-1900 on account of Imperial civil Works be forwarded to the Government of India.

2. The Directors-General of Post Offices and Telegraphs have reported that no major works are to be carried out during the ensuing year.

3. The sanctioned estimate for the Observatory building at Kodaikanal amounts to Rs 35.850. Against this sum an outlay of Rs 5.546 was incurred to end of 1897-98. The current years grant is Rs 21.000, but the work having been at a standstill till October last it is not likely that more than Rs 15.000 will be spent before the close of the official year. A sum of Rs 15.304 has therefore been provided for the work in the schedule

The allotments proposed for the Meteorological Supt's residence and the quarters for his establishment at Kodaikanal — represent the unspent balance of the sanctioned estimate in each case.
