Chapter I, Para. 30.

1. All proposals for changes in the scales of permanent establishments must be accompanied by a statement in Part I of this form when the changes relate to the engineer or upper subordinate establishments and in other cases by a statement in Part II of this form.

2. The column headed "present scale" should invariably show the existing sanctioned scale (not the strength of the establishment as it actually stands at the time), and should be verified by the Examiner before the statements are forwarded to the sanctioning authority.

EXAMINER,
P. W. ACCOUNTS,
17 OCT. 1898

With reference to your memo No 1684,
dated 11th August 98, I have the honour
to inform you that about one half the
work of sorting ordinary records has been
completed. There still remain more records
of this kind and some cartloads of famine
records to be examined and arranged or
otherwise disposed of. The work is of such
magnitude that I imagine that it will
necessarily keep the clerk engaged till the
end of this official year and I submit
accordingly a proposition statement for
obtaining sanction of Government.

No 2556 D of 10-10-98.

Communicated to the Chief Engineer,
Public Works Department, for favour of obtaining
the necessary sanction of Government for
entertaining the clerk in question up to
31st March 1899.
