Presidency P.W. Stores & workshops Division to take stock of the stores, & that on completion of the stock taking, he should remain attached to the division to take charge of the stores & instruct himself in workshop practice.	

The S. P., & Circle, forwards a letter from the Genl. Supdt. requesting instructions as to whether Mr. Hutton's salary is to be charged to the P.W. workshops or stores divisions. The Supt. Engr. thinks Mr. Hutton's pay should be debited to the Stores division, of which he is to have special charge.

The Examiner considers that Mr. Hutton's pay should be charged wholly to the Stores Division during the period he is engaged in taking stock of the stores, & that while permanently attached to the Division thereafter, it should be equally distributed between the stores & workshops, as is done in the case of Mr. Moss' pay.

The Examiner's suggestion, in regard to the incidence of cost of Mr. Hutton's pay, may be adopted. A.H.

Copy of a letter from H. A. Moss Esquire, General Super-
intendent, P.W. Stores, to the Superintending Engineer,
5 Circle, No 169 S. dated 7 October, 1898:-

With reference to your No. 445 O.W.S., dated
22nd September 1898, I have the honour to inform
you that Mr. W. Hutton, Assistant Engineer, joined
this Division on the forenoon of the 13th instant.
I would also request instructions as to whether
his salary is to be charged to the P.W. Workshops
or Stores Division.

In my own case my salary is in the first
instance paid by the Stores Division and at the
close of the year a moiety is debited to the P.W.
Workshops.

No 640 R

To the Chief Engineer, P.W. Department,
for orders. I should say Mr. Hutton's pay should
be debited to charge of Stores Division of which
he is to have special charge.

The Superintending Engineer 5th.
Circle in his memo No. 640 W dated
the 16th. instant says that as Mr.
Hutton is to have special charge of
the Stores Division his pay should be
charged to the Stores Division. In
G.O. No. 2418 W dated 19th. September
1898 Mr. Hutton was posted to the Stores
and Workshops to take stock of Stores,
after which he is to be posted per-
manently to the Division to take
charge of the Stores and to instruct
himself in Workshop practice. From this
it would seem that his pay should be
charged wholly to the Stores Division

SUBJECT.

Requests order as to the
