ORDER

Note

asked whether he could find funds for it from the Minor Works grant to the Coimbatore Division. In reply, that Officer proposed that the demand might be met from the amount which he offered to surrender from the grant to the Anamalai roads. The latter proposal not having been accepted and no funds being then available from other sources, the demand was held over. As money has since become available, it is proposed to allot the amount required.

ENCLOSURES.

SIR,

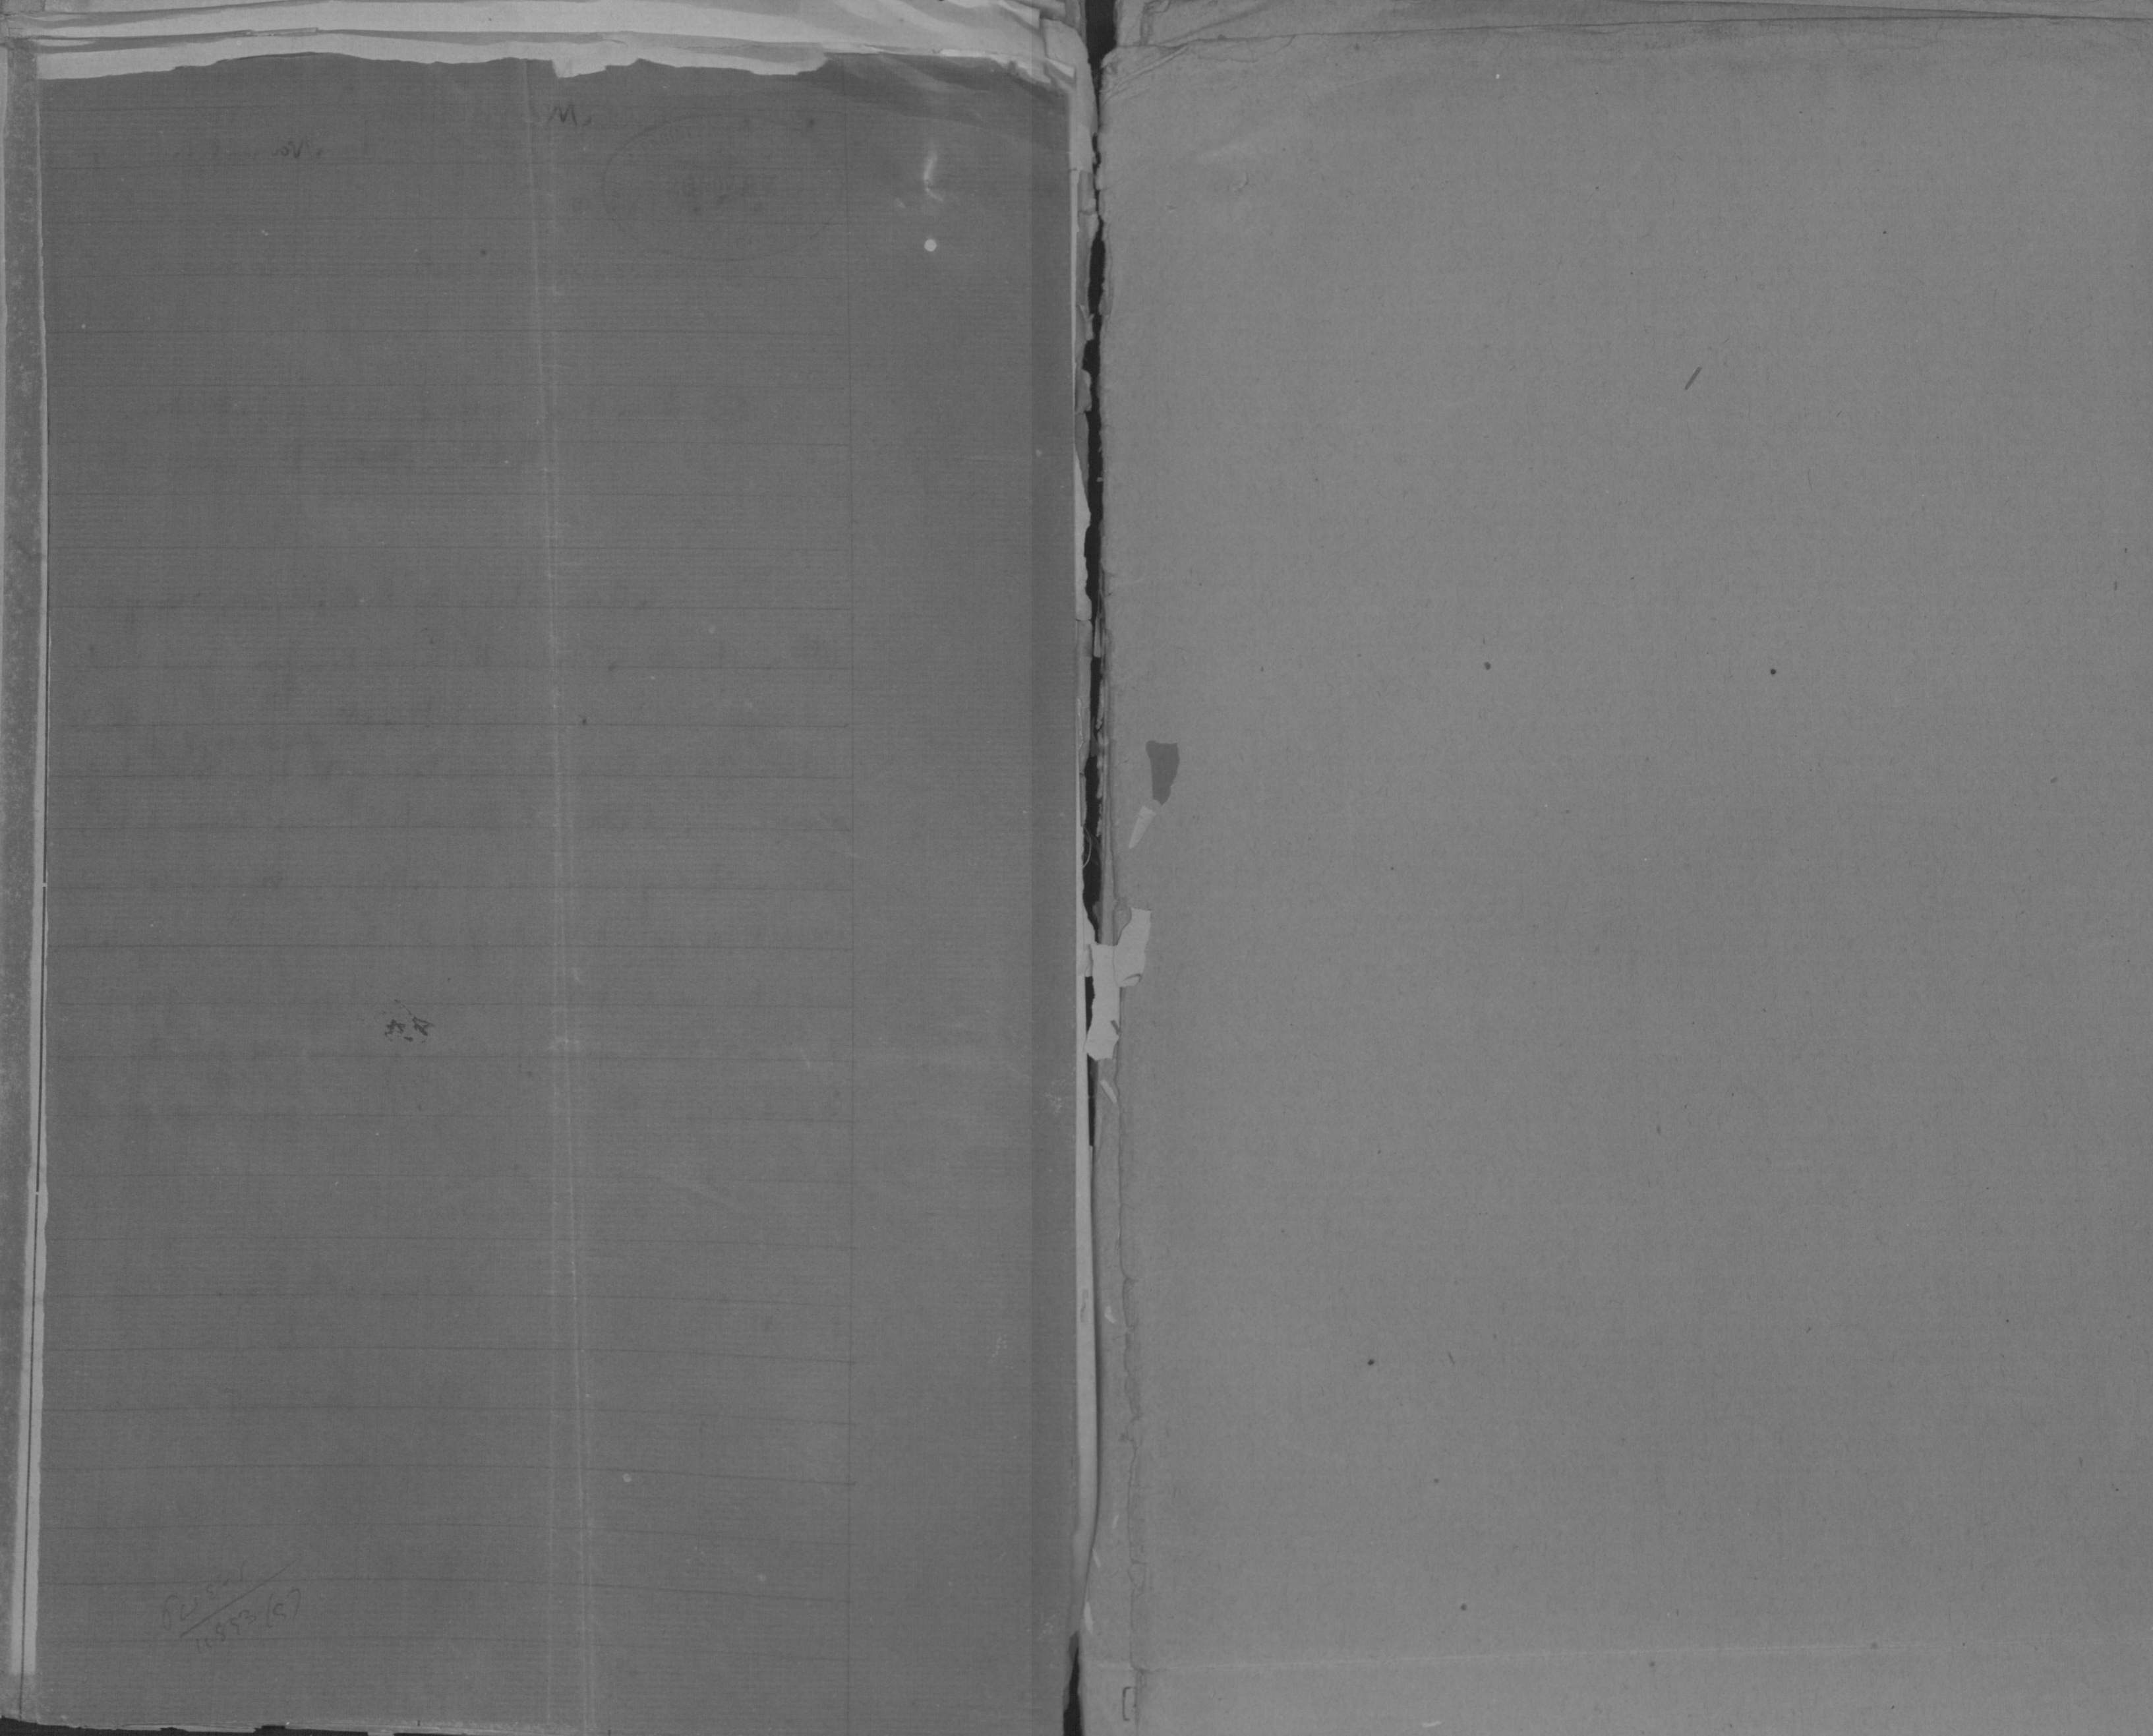

Adverting to G.O. No. 3145 W of the
11th instant, I have the honor to inform you that
as represented in my letter No. ^B 10078 of the 30th
June last, the early erection of the lean to shed for
carriages at Mount Stuart is very desirable,
and with reference to G.O. No. 1977 W of the 21st July
1897 to request that, if not already done, application
may be made to the Government of India for
sanction to the construction of the work from Provincial
funds, and the necessary funds provided for the
purpose.

I have the honor to be,
Sir

Your obedient servant

S. May. Captain
