READ the following paper:—

From the Registrar of the High Court of Judicature,  
Madras, Ref. on Car. No. 2379/96, dated 2nd November 1896:-  
District Munsif of Madurai holds his Court

The District Munsif of Mannardur holds his Court in a building rented for Rs. 25. On inspecting the Court in September, the District Judge of Madura found the accommodation to be very insufficient. He thereupon addressed the High Court recommending the construction of a new Court-house for the District Munsif and reported that a very good site for a new building was available. This site is at present the property of the Taluk Board of Sivagangai and was acquired by that Board for a Market, but the President is willing to sell it for a reasonable consideration. On perusal of a sketch plan of the present building (herein enclosed) submitted under orders of the Court by the District Munsif, and also of the letters of the Ag. District Munsif and of the District Judge, dated 15th and 19th October 1898 respectively (copies enclosed), the High Court considers that the necessity for a new Court-house at Mannardur is clear, the rented building not being suitable.

not being suitable.

2. I am accordingly directed to request that estimates for a new building may be called for in the Public Works Department and sanctioned for execution in due course, and that sanction may, at the same time, be accorded for the acquisition of the site referred to by the District Judge.

The High Court's proposals are approved and the necessary orders for the Appropriation of plans and estimates will be issued in the Public Works Department.

3. The Collector of Madras will be requested to take the necessary steps for the acquisition of the site referred to.
