Railway branch of the P.W. Dept. was forwarded to the Govt. of India. at the same time, that Govt. was requested to either post an officer of equal standing to Madras, or to draft an additional officer from Cooper's Hill College to this Presidency at the end of the year.

The Govt. of India in reply state that it has no objection to Mr. Formby's transfer for employment in the Railway Branch, but that no officer can be spared in exchange for him.

Under the circumstances Mr. Formby's services cannot be spared, and his request must be negatived.

If there is no objection to the Foundry report, it must be sent on to the Govt. of India for consideration -

Perhaps the G.P.O. might be asked if the transfer can be arranged, & to post another in their place.

Yes, it would be better to send another equal standing Officer to Quetta.
