ORDER

48. The Governor in Council attaches great importance to the early completion of the Penitentiary system, and considers that the interests of Government are likely to suffer from frequent changes of the officers in charge thereof. His Honor in Council therefore regrets that he is unable to sanction the furlough applied for by Mr Smyth.

FURTHER PAPERS.

1898:

Sl. 3-1-98

2. The further expenditure to complete the works as per Schedule is about Rs 2,18,000 and the existing staff is as follows: -

Officers.

1. T. W. S. Smythe Esquire, Executive Engineer 3rd grade, Temporary Rank in Charge of Special Prices Division.
2. Mr. S. A. Subrahmanya Aiyar Esquire, Executive Engineer, 3rd grade, temporary rank in Charge of Prices Sub Division.
3. Mr. A. V. Ramalinga Iyer Esquire, Assistant Engineer, 2nd grade, in Charge of Madras Sub Division.

Suppe

Upper Subordinates.

1. Mr. V. R. Subramania Iyer, Temporary
Upper Subordinate, No. 1. Section
Madura S.D. Division.

2. Mr. H. Knott - do - No. 2 Section - do -

3. Mr. C. Thirumalachari - do - XII
Branch Channel

4. " A. R. Karayanaswamy Iyer - do -
X Branch Channel.

3. Mr. Subramania Iyer requires
privilege leave very badly as his eye-
-sight has been troubling him, in fact
he might probably claim it on medi-
-cal certificate.

4. Mr. Ramalinga Iyer is the sent
almost at once to build the new sluice
at the tunnel mouth. Of the subordinates
the only one worth his salt is Temporary
Upper Subordinate V. R. Subramania Iyer.

5. Temporary Upper Subordinate C.
Thirumalachari is very inaccurate
and has no influence whatever with
Contractors. I have known his bills vary
from one half to twice the proper amount.

6. The last joined subordinate Ka-
rayanaswamy Iyer is a mere boy &
as for Mr. Knott it is an absolute

mystery why a man with his charac-
-ter is kept in the Department. I
do not suppose he could if he tried
do a good honest day's work on account
of his weak emaciated condition and
he is not allowed to make any pay-
-ment at all.

7. The establishment required is as
follows: -

(1) A Junior Executive Engineer to
relinquish Mr. Subramania Iyer at
once and to hold charge of the Division
from 1st April when I go on furlough.

(2) An Assistant Engineer to relinquish Mr.
Ramalinga Iyer.

(3) Two trustworthy upper subordinates
in place of C. Thirumalachari and
Mr. Knott.

8. I find that owing to no progress
having been made in village inspection
(waste land &c) in the Periyar S.D. Div-
-ision to get having after over a
year's delay auctioned the prosecution
of late temporary upper subordinate
A. R. Viswantha Iyer that I cannot
possibly do after the execution of the
works in the Periyar S.D. Division.

9. I have already before going on pri-
-vilege leave pointed out the wretched
treatment which has been experienced
in the matter of staff during the past
year and a half; the Division has been
treated as a school for boys from the
College and a dumping ground for
failures and bad characters and in
the whole time I have only had one upper
subordinate of whom either myself or
Mr. Ramalingam Iyer have been able
to give a good character.

10. I can only finally state that Gorkh
is being heavily by the above action &
that the wisest economy would be to
employ a good staff, increase rates so
as to attract labour from the surrounding
districts & complete the work as quickly
as possible.

11. The present rates are barely sufficient
to attract even the best local contractors
& with a good harvest in the Periar affected
tract quick progress is impossible with-
out imported labour.

Enclosure: 1.

Sir,
In forwarding herewith a
copy of letter No. 151 S.E. dated 5
January 1898, from the Executive En-
gineer on Special Duty, Periar, on the
subject of the Establishment in his Di-
vision, I have the honor to inform you
that I have for the present transferred
Mr. Ramalingam Iyer to charge of the
Head Works, Periar, to supervise the erec-
tion of the Stone's Shutter about to be
put up there and that there is no one
in the Circle whom I can send to re-
place him. Mr. Subrahmanya Iyer
has applied for 3 months Privilege leave
and this leave is, I believe, very necessary.

to him as his health is not good, but I have been obliged to refuse sanction to it as I have no one in the Circle whom I can send to relieve him.

Mr. Smyth is going to apply for furlough from the 1st April. It is very necessary that the present arrangement as regards the carrying out of the Periyar works be continued for at least another year, and I consider that it would be advisable if the officer who is to take charge from Mr. Smyth be posted at once to the Division (on the presumption that he will be junior to that officer).

I should also like the services of an experienced Upper Subordinate to take the place, for the present, of Mr. Ramalingam Iyer. The work now required of Mr. Ramalingam Iyer will probably be completed early in June.

I have called on Mr. Smyth to report on Temporary Quarters Mr. Kusta and C. Thirumalaachari.

I have also to bring to your notice that Mr. Gopalakrishna Iyer, Executive Engineer, Tinnevely Division,

Subordinate
Smyth. From
circle, he can
be sent down

is now holding individual charge of the Head Quarter Sub Division and also of the Shermadivi Sub Division. It is, I consider, most necessary that an officer be sent as soon as possible for the charge of the Shermadivi Sub Div. I have no one in the Circle whom I can send. This Sub Division is an Assistant Engineer's Charge.

I have the honor to be,
Sir,

Yours truly &c. Servant.
