ACCOUN
17 NOV 1898

Letter from H. E. Clerk Esqre. Executive Engineer Bellary Division, No. 8094 dated 3rd November 1898 to the Superintending Engineer, III Circle, Bellary.

With reference to your endorsement No. 2736 of 27th Ultimo, herewith returned, I have the honour to report that N. Parthasarathy Naidu was appointed by you as temporary Sub Overseer on Rs. 40 in the late Anantapur famine sub-division (vide your No. 2326 dated 18th July 1897, herewith) with the stipulation that the appointment is terminable at one months' notice; but in G. O. No. 2353 W, dated 25th August 1897, the usual one months' notice of discharge was dispensed with. In communicating the Government order, however, you specially mentioned that in the case of those who were promised a month's notice on entertainment the terms of the appointment order should be respected.

2. The late famine sub-divisional Officer, Anantapur, reported that the services of Parthasarathy Naidu were dispensed with on 9th October 1897 afternoon and he was paid accordingly. But he advances claim to salary up to 21st October 1897 in virtue of an order of famine sub-divisional Officer, Anantapur, No. 65 dated

21st

21st September 1897, enclosed, and I have the honour to enquire if you authorize payment accordingly, in which case, I request that a copy of your sanction may be communicated to the Examiner.

3. Partharasathy Naidu's claims have been thoroughly investigated and no other amounts are due.

5 Enclosures.

Sir,

In reference to your No. 4527C of 14th October 1898 herewith returned I have the honour to state that I have no power to dispose of the matter.

2) The accompanying copy of letter No. 8094 of 3rd November 1898 gives the facts of the case, and in my opinion the applicant should receive pay from 10th to 20th October 1897 both days inclusive, as he was promised a month's notice in his appointment order. The order dispensing with his services after the expiry of one month is dated 21st September 1897, but his services were actually dispensed with on the 9th October 1897.

3) In order to remove the objections that will be raised, in the accounts branch, based on G. O. No. 2353W of 25th August 1897, it appears necessary that there should be a specific order of

of Government on the case.

4) Your endorsement on the above G. O. when you were in charge of this Circle is as follows:-

"Communicated to the Officers in charge of Divisions and Famine Sub Divl. Officer Anantapur for information and guidance.

2. The several temporary men entertained for famine relief purposes should be made clearly to understand the purport of Para 1 of the G. O. with the exception of those who in the order of appointment have been informed that they will receive one month's notice of dismissal, which promise must of course be kept."

I have the honour to be,

Sir,

Your most obedient servant,
