

Public Works (1898) Department.

G.O., No.

317 *W*

DATED

9th February 1898

[Despatch Abstract.]

Socket turns in Compasses: Letter to the D. G. of Stores, India Office, stating, with remarks, that the two — mentioned in the packing account for S.S. "Matiana" were not found and requesting that they may be sent by an early steamer.

9-2-98.

[illegible]

See,

I am directed to
 state that in the Packing
 Account for S. S. "Marian"
 it was noted that two
 pocket compasses in cases
 had been packed in
 Case No 5-607 and that
 when this case was
 opened, the pocket
 compasses were
 not found in it, nor
 were they entered in
 the "Statement of Contents"
 which was in the
 case. This statement
 is forwarded herewith
 and it will be noted
 that it refers to
 Case No 363. The
 General Supt. P. W. Stone
 however reports that

inside case no 500
that the case number
in such statement does
not agree in any instance
with the "shipping number"
in the packing account
and on the outside of
each case -

2. In the circumstances,
I am to request that the
missing instruments may
be sent out by an
early steamer.

H. H. H.

FURTHER PAPERS.

copy of a letter from H. A. Moss Inquire General Super-
intendent, P. W. Stores Division, to the Superintending
Inquirer, 5 Circle, H. 253. d. dated 14 December 1897:-

I have the honour to report that in the Packing Account per "S.S. Matiana" it is noted that two Pocket turn-in Compasses have been packed in case No. 560. When this case was opened the Pocket turn-in compasses were not found in it nor are they entered in the memo (sent herewith) of contents which was in the case.

I therefore request you will be so good as to address the Director General of Stores India Office London and request that the instruments may be sent in by the next steamer.

Order 5-5.

Returned to the
 Supt Engineer & circle
 for purpose of further
 inquiry - the "Statement
 of contents" enclosed refers
 to Case No 363, while,
 according to the General
 Supt's letter, the Packing
 Account mentions Case No
 560 - Apparently the wrong statement
 has been submitted.
