Frm Sergt J. Whittaker, Overseer Periyakulam Section, to the Sub Divl Officer, Dindigul, No: 41 dated 1st November 1895:—

I have the honor to request that you will be good enough to sanction in anticipation of approval by Executive Engineer a hired building in Periakolam for the purpose of an office and store room. The rent per mensem will not exceed Rs 3. It is absolutely necessary that permission be given for the above as I find it impossible to get a decent house to live in and consequently have to change about from Forest Bungalow to Pambar Bungalow both being on different sides of the river and when I go on circuit I have no place to keep stores, records &c.

A suitable house rent Rs 3 per mensem has been arranged for since the first of this month.

No: 2382 of 8 November 1895.

Submitted to the Executive Engineer, Madura, for favour of obtaining

sanction of Government to the hiring of a building on a rent of Rs 3 per mensem for office and store of Overseer in charge of works at Periyakulam and Kodaikanal. The building has been hired in anticipation of sanction from 1st Instant.

Sent 3/12/98

Ord 5.1 10.11.98

From A. Joyce Esquire, Executive Engineer, Madura Division, to the Superintending Engineer, Trichy, No. 518 S.E. dated 29 November 1898:—

I have the honor to forward herewith No. 2382 d/8-11-98 (to be kindly returned) from Sub Divisional Officer, Dindigul, and to request that you will be good enough to obtain necessary sanction for hiring the house under the circumstances explained. In P.W. Code, Vol. I, Chapter VI, Para 16, which deals with the question of hiring separate buildings for offices of Superintendents of works, Executive Engineers &c, no mention is made about hiring of buildings for offices of Overseers. But para 17 lays down that when accommodation is provided in a building hired for the purpose, the first charge in every year that an officer makes in his Contingent bill should be supported by a certificate to the effect that a suitable building was not available.

The only such building available in Periyakulam was pulled down and the materials sold as may be seen from

Copy, with copy of the enclosure, is submitted to the Chief Engineer, Port, with a request that sanction of Govt may be obtained to the hiring of a building on a rent of Rs 3 per mensem for the Customs office at Periyakulam from 1st November 1898.

Ex No. 1.

2. The Govt building referred to by the Executive Engineer in the Con. Endorsement para of his letter was an old stone shed of mud walls & thatched roof, which became dilapidated and unserviceable.
