READ—again the following paper:—

G.O., No. 1137 I., dated 21st December 1897.

READ—also the following papers:—

Telegram from the Superintending Engineer, I Circle, to the Chief Engineer for Irrigation, dated Waltair, 13th April 1898.

Collector, Gódávári, strongly recommends postponing closure Western delta canals 1st May and re-opening 1st June. Have issued instructions accordingly. Wire approval. Urgent letter follows.

No. 138 I.

Note by the Chief Engineer for Irrigation.

In the notification approved in G.O., No. 1137 I., dated 21st December 1897, and published in the *Fort St. George Gazette*, Part I, dated 11th January 1898, it was proposed to have the main and other canals in the Gódávári Western delta closed from 15th April to 15th May 1898. The Superintending Engineer now reports that the Collector strongly recommends the canals being closed from 1st May to 1st June and that he has issued instructions accordingly. It is recommended that these alterations be sanctioned.

16th April 1898.

(Signed) W. HUGHES,
Chief Engineer for Irrigation.ORDER—No. ³¹⁹/_A I., dated 18th April 1898.Sanctioned. The following notification will be published in the *Fort St. George* and the Gódávári and Kistna District Gazettes:—
