In the list of temporary establishment for 1898-99, submitted by the Superintending Engineer on the 9 June 1898 provision was made for one sweeper at Rs 5 per mensem in lieu of 3 men, on Rs 4 each, proposed by the Executive Engineer and this list was sanctioned in G.O. No. 1818 W dated 19 July 1898. On receipt of intimation from the S.E. to this effect, the Ex. Engineer dispensed with the services of the 3 men and entertained one man on Rs 5.

The 3 men having been retained from 1st March to 30 June 1898, sanction of Govt. is necessary to admit their pay. This sanction is now proposed to be accorded.

Note for His Excellency
the Governor

With reference to His Excellency's query on the draft order (Flag N) it is submitted that, in the case of temporary establishments sanctioned annually, it is usual to apply just before the close of every year for the retention of the establishment during the ensuing year, and to retain the men pending sanction of Government. The Executive Engineer, Nellore Division, appears to have acted accordingly in the present case, and as soon as he heard from the Superintending Engineer that the latter had substituted 1 sweeper, on Rs 5 per mensem, for the 3 men, on Rs 4 each, provided for by the Executive Engineer in the proposition
