READ—the following papers:—

From G. W. DANCE, Esq., Collector of Malabar, to the Secretary to the Commissioners of Land Revenue, dated Calicut, 25th November 1897, Ref. on C. No. 2272/P.

I have the honour to report that some inconvenience is experienced by the distance of the District press office from the Collector's cutcherry.

2. When the cutcherry was built the present Currency office was intended for the District press. But as no building had been provided for the Currency office, the press building was used and the press left where it was.

3. A sum of Rs. 4,800 was sanctioned in G.O., No. 1318 W., dated 19th May 1897, for repairing the present press office. But I have ascertained from the Executive Engineer that the cost of a new building, containing one hall 40 feet long by 28 wide, and with one room at each end 28 feet square, will cost only Rs. 4,500 approximately.

4. I would therefore ask that, instead of repairing the old office, the Public Works Department may be asked to submit plans for building a new one of the above description in my cutcherry compound.

Reference on the above, dated 11th December 1897.

Submitted for the orders of Government with reference to G.O., No. 1318 W., dated 19th May 1897.

2. In the circumstances stated, the Board recommends that a new office for the District press, Malabar, may be constructed, as proposed, in the compound of the Collector's cutcherry.
