Account.

Read—the following papers :—

From H. E. CLERK, Esq., Executive Engineer, Bellary division, to the Superintending Engineer, III Circle, dated 11th February 1898, No. 1270.

In this office No. 7504 B., dated the 3rd September 1897, I requested that the estimate for forming flood bank and constructing an outfall sluice above the head sluice of Thoortha channel may be cancelled for reasons therein assigned. In doing so, I lost sight of the fact that the estimate also provided for land taken up some seven or eight years ago for the cross bank and head sluice. I have the honour, therefore, to submit herewith an estimate for Rs. 740 for the purpose, and to request you will be good enough to obtain early sanction of Government with a view to enable the Collector to make the payment of the compensation.

No. 6046 I.

Submitted to the Chief Engineer for Irrigation with a request that he will be good enough to obtain sanction of Government at an early date for payment of compensation for land taken up for the cross bank and head sluice of Thoortha channel.

16th February 1898.
