Account.

READ—the following papers:—

From W. C. DEMORGAN, Esq., M.I.C.E., Executive Engineer in charge, I Circle, to the Chief Engineer for Irrigation, dated Waltair, 12th March 1898, No. 2243 G.D.

I have the honour to bring to your notice that, in G.O., No. 36 W., of 7th January 1898, a sum of Rs. 225 has been placed at the disposal of this department on account of Local Fund share of contribution for the construction of an iron ballacut for crossing Gontair drain at Madugupolavaram.

2. This amount has been, in anticipation of the sanction of the Government of India under Code II, Chapter IV, paragraph 135 (g), treated as an addition to the grant under 42. Major (Works Working Expenses) to which the outlay on the ballacut is chargeable as the same cannot otherwise be accounted for.

3. I have the honour to request therefore that you will be good enough to obtain the necessary sanction.

No. 113 I.

*Note by the Chief Engineer for Irrigation.*

A sum of Rs. 225 having been paid by the Local Fund Board, Gódávári district, on account of its share of contribution towards the construction of an iron ballacut for crossing the Gontair drain at Madugupolavaram, Gódávári Western division, the estimate of Rs. 450 for which is chargeable to "42. Major Works (Working Expenses)," Gódávári delta system, the Executive Engineer in charge, I Circle, applies for sanction, under Code II, Chapter IV, paragraph 135 (g), to treat the amount as an addition to the current year's grant under that head.

2. The Executive Engineer's application may be approved, and the Government of India requested to accord the necessary sanction.

28th March 1898.

(Signed) W. HUGHES,  
Chief Engineer for Irrigation.

ORDER—No. 356 I., dated 28th April 1898.

Approved.

2. Ordered that a copy of these Proceedings be forwarded to the Government of India, with a request that early sanction be accorded to treat the sum of Rs. 225 referred to as an addition to the grant for 1897-98 under "42. Major Works (Working Expenses), Gódávári delta system.
