Letter No. 4926 W

Dated 4th December 1897

From the Supt. Engineer III Circle.

NOTE BY TECHNICAL SECTION.

Name of work The Superintending Engineer III Circle submits the undermentioned Estimate for forming a new road from Gangireddiballi Cuddapah Taluq to join the Pulivendla Kadiri Road via Pendlooor and Golla Goodur Pulivendla Taluq - Rs. 41,240.

The Estimate provides for constructing a new road 18 Miles 2½ furlongs in length. As this line of road passes mostly in black cotton soil provision is made in the estimate for sanding together with metalling and gravelling. The breadth of the road allowed in Estimate is 15ft for sanding and 12ft for metalling and gravelling with 6" thickness for Sanding metalling and 2" for gravelling. The Road is to be made according to the section given in the plan attached. Compensation for land lying has been allowed.

[P. W. 60
250- 30-9-97.]

as to rates no detail data has been submitted and no Local Fund schedule is available in this Office but the Supt. Engineer in countersigning the Estimate has remarked that the rates have been checked with the L. F. Schedule. The Estimate has been countersigned by the President District Board and sanctioned in District Boards Proceedings dated 14th October 1897.

Note

In the papers connected with this estimate, there is nothing to show as to whether the work has already been carried out as a famine relief work or is intended for future execution. If former, the estimate will have to be sanctioned under "33 Famine Relief", and if latter it will be classed as a "Local" work.

For orders.
