G.O., No.

361 W

DATED

14 February 1898

[Despatch Abstract.]

Funds: Sanctioning, in the remarks, certain
modification of grants in the Madras D.

16/2

applied

B
14298

G.O.	No.	Department.	Date.	G.O.	No.	Department.	Date.

Applied for sanction to the transfer of a sum of
Rs 4000 from the grant to the Madura Div
under 43 Provincial Irrigation, T.R.S. to 45 civil
works in order to provide funds for certain in-
complete minor works and for certain urgent
repairs under the latter head, if funds were
not otherwise available. The Chief Engr for
Irrigation having observed in Memo No 126 M.D. dated
6th December 1897 Communicated to this office with his
endorsement No 78 E.W. dated 6th December 1897, that
the transfer of funds in question could not be
sanctioned as funds were urgently required for
Irrigation works in other Divisions, no action was
taken on the Suptg Engr's application. As
money is now available, it is proposed to
set the amount. This renders unnecessary
the transfer of grants from 43 Irrigation works to
45 civil works, again proposed by the Suptg Engr
in his endorsement No 41 M.D. dated 20th January 1898.

The transfer of funds referred to in
para 2 of the draft order is also recommended
for sanction, as it is stated that the completion
the roofing to the Police station at Kodaikanal
is considered necessary in the interests of Govt
and that the amount is required in addition
to the sum already applied for under the
works.

B

Referring to your No. ^{1536 Ind} 22-10-97 I have
the honor to explain below the circumstances
under which the current year's grant under
"Provincial Civil Buildings - Minor Original"
has been exceeded and the necessity to
transfer funds from "3 Irrigation" to
Provincials.

2. At the beginning of the year the amount actually required under "Minor Original" for incomplete works alone was Rs 7,600 & the provision made in the Preliminary Issue of the Budget was Rs 6,390 under that head. Without making any reference to this office the provision in the Budget was withdrawn in G.O. no. $\frac{817 \text{ A. W.}}{20-3-97}$ and a grant of Rs 1,000 only was allotted to struggle with the onlay on incomplete works requiring over Rs 7,000.

3. On receipt of orders withdrawing funds from what was provided for in the Budget instructions were issued to S. D. or Concerned to stop the progress on works and report the amount actually required for works that could not possibly be postponed.

4. In this office No: $\frac{7150.21}{8-5-97}$ a sum of

Rs 6530 was applied for to meet the demands on some incomplete works for which materials were collected during 1896-97. This application was not complied with but orders were received to stop further outlay on works under that head & to report the amount indispensably required for carrying out works to the extent of the materials already collected being used on the respective works. The outlay of Rs 3144 incurred up to date on that head was therefore unavoidable and to meet the liabilities incurred, no new works having been commenced. In this connection it is pointed out that due consideration was given to avoid loss to Govt by not allowing petty improvements to Govt buildings to be deferred for months together & those works that could possibly be deferred have been stopped.

5. The expenditure to end of October 1897 under "Provincial Civil Buildings, Repairs" is Rs 4559 against the grant of Rs 5000. In this head also a sum of Rs 1000 was withdrawn from what was provided for in the Preliminary issue of the Budget. In cleaning and whitewashing the T. N. Palace for His Excellency's visit commenced in anticipation

of sanction of funds, & stopped on receipt of orders to the contrary, a liability of Rs 167 is reported to have been incurred. The outlay to end of September/97 on the estimate "Repairs to the District Jail, Madras, Estimate Rs 1710, Reg. No. ^{11 u} 97-98" is Rs 362 being the cost of Asphalte, Cement, Color &c purchased for that work. In response to the orders of the Dy. Sg. to proceed with works to the extent of materials already collected being used and in consideration of cleaning the Jail by white and color washings for the occasion of His Excellency's visit, a liability of Rs 608 is reported to have been incurred. In this connection I have to forward herewith extract of His Excellency's remarks in the visitors book maintained in the District Jail and think that it is desirable to carry out completely the repairs to the Jail as, as per estimate above noted and not to postpone it any longer.

6. Under the above circumstances I request that the following transfers of funds may be made as a special case at an early order issued to clear liabilities.

From.

To

The Chief Engineer,

SIR,

P. W. D.

ENCLOSURES.

In forwarding herewith Copy of letter from the Executive Engineer, Madurai Div, No: 480 P.E. of 13th November 1897, I have the honor to request that, if funds are not otherwise available, you will be good enough to obtain the sanction of Government, under P. W. D. Code, Volume II, Chapter IV, Para 135(c), to the transfer of Rs 4,000 from the bank for Madurai Div under 43 Provincial, Irrigation, Tank Restoration Scheme, Repairs, to Provincial Civil Buildings in the same division, viz. Rs 2,500 for Minor Works and Rs 1,500 for Repairs.

2. On receipt of your Memo No: 3196 C dated 14th July 1897 stating that no funds are available to meet the demands for incomplete works of 1896-97.

The Executive Engineer were ordered to propose the necessary reappropriation of funds from the budget grant. But for the Madura Division there are no allotments in the budget for any major works from which to propose transfer of funds to meet the demands for incomplete works. I was therefore obliged to propose, in my No. 1627 T.C. of 4 September 1897, the transfer of funds from works in other divisions. The budget grant for Minor Works and Repairs in the Madura Dn were also reported to be inadequate, but the Executive Engineer was strictly ordered not to exceed the authorized grant, but he has nevertheless exceeded the grant under Minor Works for reasons stated in his letter.

3. Under the circumstances, I request that early orders may be obtained to the transfer of funds proposed.

I have the honor to be

SIR,

ENCLOSURES.

In forwarding herewith an extract from the Remarks made by His Excellency the Governor in the Visitors' book of the Madura Jail - Copy of which was only received by me this day - I have the honor to inform you that I made a careful inspection of the Madura Jail on the 8th February 1897 - Vide my Notes of inspection sent in No. 151 T.M. of 16th February/97, and that I sanctioned an estimate for the repairs I considered to be necessary amounting to Rs 1,710 on the 5th May 1897 - ordering the work to be proceeded with if funds were available.

The total grant under Provincial, Civil Buildings, Repairs for the current year is only Rs 5,000 in the Madura Division. Of this a sum of Rs 4,559 has been expended on

On 5-1
11829/97

Repair works by the Executive Engineer up to the end of October having a balance of grant of Rs 441. Out of the amount of Rs 4,559 the Executive Engineer has expended a sum of Rs 362 for the purchase of materials in connection with the repairs of the Madura Jail - and in carrying out these repairs the Executive Engineer has reported that he has already incurred a liability of Rs 608. The Executive Engineer also reports a liability in carrying out repairs to Tirumal Raikal's Palace at Madura amounting to Rs 167. The total outlay plus liabilities therefore comes to Rs 5,334 against the grant of Rs 5,000, and there are therefore no funds available to proceed with the work in question.

I would draw your attention to my letter No. 1731 D.D. of yesterday's date. 11828

MEMORANDUM.

Enclosures.

With reference to endorsement of the Superintending Engineer, Sixth Circle, No. 1731 M. D. dated 25th November 1897, the undersigned has the honour to inform him that the proposed transfer of Rs 4,000 from the existing grant for the Madurai division under "43 Provincial. Irrigation Tank Restoration Scheme Repairs" to "Provincial Civil buildings" cannot be sanctioned as additional funds are urgently required for Irrigation works in other divisions. The amount referred to will be transferred to the Kistna Eastern and Cuddapah divisions where additional allotments are now wanted.

From A. Joyce Esquire, Executive Engineer, Madras Div, to the Engrs Engrs, Madras, No: 588 S.E. of 5th January 1898:—

With reference to your Endowment No: 1834 M.D. of 11th December 1897 and this office No: 575 S.E. dated 18th idem, I have the honor to inform you that the Chief Engineer for Irrigation having declined to effect the transfer on account of demands for additional funds to other Divisions, that officer may now be informed that a further sum of Rs 5000 from T.R.S. is available for transfer to "Provincial Civil Works". The necessity for the transfer has already been explained in this office No: 480 S.E. of 13th November 1897, and I have to add that as the liabilities already incurred on Tirumal Naich's Palace and District Jail have to be cleared soon, the balance of petty repairs to the District Jail estimate Rs 1710 Regr. No: ⁴/₉₇₋₉₈ had to be completed with reference to His Excellency the Governor's remarks in the Jail visitors book, the balance of existing grant under "Provincial Civil Buildings Repairs

is quite inadequate to meet expenditure on Maintenance Estimates and demolishing Cornice in Tirumal Raich Palace; hence the transfer may be kindly recommended for immediate orders.

From.

43. Irrigation. T. R. S. Rs 5000

To

Provincial Civil Buildings

Minor Original Rs 3000

Do. Repairs Rs 2000

2. The existing allotment under the above latter two heads & outlay to end of November 1897 is as shown below:-

Grant. Outlay Done
 of November 1897

Minor Original. Rs 1000 - 3805

Repairs. Rs 5000 - 4920

3. The outlay during November 1897 under the above heads is on the demolition of Cornice in Tirumal Raich Palace, Madura, and on payment of bills from firms for the purchase of Corrugated iron sheets & paint to Police Station at Kodaikanal which

were unavoidable.

4. Orders solicited to pay off liabilities on Tirumal Raich Palace and District Jail.

No. 41 Ind. of 20 January 1898
of 21-

Copy submitted to the Chief Engineer, P.W.D., in supersession of this office No. 1731 Ind. of 25 November 1897 and with a request that, if funds are not otherwise available, sanction of Government may be obtained for the transfer of Rs 5000 from the grant under 43. Irrigation, T. R. S. Repairs, to Provincial Civil Buildings, viz. Rs 3000 for Minor Works & Rs 2000 for Repairs, as proposed by the Executive Engineer.
