To

The Chief Engineer

Public Works Department

Sir

Enclosures.

I have the honour to state that the unspent balance from the furniture grant for Government Houses on the 1st December 1897 was Rs 819. 11. 7, but the outlay incurred in December 1897 and in January 1898 and other liabilities having exceeded the prescribed limit, I have the honour to request that with reference to rule VIII annexed to G.O. No. 613 W dated 7th March 1893 concerning the supply & repair of furniture for Government Houses, you will obtain the sanction of Government for resuming the sum of Rs 700/- being the sale proceeds of pianos credited to Provincial Revenue under sales of Tools & Plant in the account of this Division for the month of October

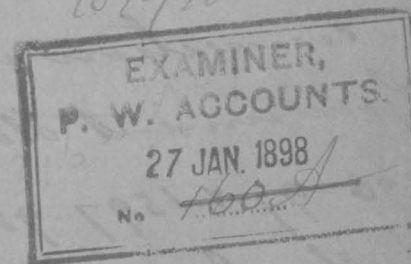

I may add the reason for the current year grant of Rs 7500. having been so short is due to cost of repairs & renewals of chairs & blinds executed in connection with the annual repairs for Government Houses, Madras & Quindry for 1896-97 & 1897-98, having been written back to the furniture grant for the current year, under instructions received from the Examiner P. W. Accounts, the same having been erroneously included in the annual repair estimate.

I have the honour to be
 Sir
 Your most obedient servants
