REVENUE BOARD OFFICE. MADRAS.

Proceedings of the Board of Revenue

(Revenue Settlement, Land Records and Agriculture.)

Dated 25th March 1898.

No. 2125 Miscellaneous

READ the following letter from the Collector of Tanjore, No. 1147 Rev of 1898 dated 15th March 1898:—

Referring to Board's Proceedings dated 24th February 1898. No. 1305 Mis, I have the honour to report that the Board's interpretation of the Collector's explanation for the decrease in the Revised Estimate of Revenue due to irrigation for 1897-98 is correct. Another cause for the decrease, as explained in the memo: attached to the Budget Estimate submitted in Collector's No. 5051

Audited G.O. 1100 4-3-98

5051 dated 19th October 1897, is the revision in the Revised Estimate rendered necessary with reference to the "known results" (actuals) for 1896-97, which is below the "Revised" Estimate for that year owing to the decrease in the rate of water-tax charged for dry crops systematically irrigated.

Resolution

submitted to Government, with reference to para 2 of Government order No. 512 dated 19th January 1898, Communicated with Government order No. 831 Revenue, dated 17th February 1898 and in Continuation of Board's Proceedings No. 1305 dated 24th February 1898.
