Respected Sir,

As I hear that there is a vacancy in the
Technical department of your office there,
I beg that you will be kind enough to consider
my fitness for it. As I was working in the
Consulting architect's office during the
last six months & was engaged in the work
of checking estimates, making the necessary
calculations for girders, walls, roofs etc., I hope
I may be found fit for the post.

This letter is submitted in connection with the notes regarding the filling of vacancies on the temporary upper subordinate establishment.

Engineer student Sankar Chao declines the position Rs 50 offered to him, but asks for an appointment in the Technical branch of this office.

He will probably be considered too inexperienced for the latter post.

His refusal of the offer of Rs 50 on the temporary establishment leaves one more
