GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Irrigation.

READ—the following paper:—

From Lieutenant-Colonel O. V. BODDY, R.E., Superintending Engineer, VI Circle, to the Chief Engineer for Irrigation, dated Kodaikānal, 13th May 1898, No. 333 T.N.

Under paragraph 79, Chapter IX, Volume I of the Public Works Department Code, I have the honour to request that sanction of Government may be obtained to the execution, by this department, of the contribution work named below.

2. An estimate, amounting to Rs. 3,300, for re-building a portion of the Pambuli anicut across the Hanumanadi, a tributary of the Chittar river in Tenkasi taluk, Tinnevely division, has been prepared. The anicut is said to have been damaged on the right side for a length of 61 feet by the floods of last year, and it is now proposed to restore it.

3. By the anicut 1,211 acres of land are being commanded, of which 500 acres are said to belong to the Travancore Government, and the proportionate contribution towards the restoration of the anicut is Rs. 1,362 or including Public Works supervision and tools and plant charges at 24½ per cent. is Rs. 1,695.

4. The Travancore Government has expressed its willingness to pay its share of the cost on the completion of the work.

5. The estimate has been countersigned by the Collector, who requests that a bill of actual expenditure and of the amount to be recovered may be furnished on the completion of the work.

6. Under the circumstances orders are requested to complete the work from Government funds, the contribution being credited to the work after it is recovered.

ORDER—No. 429 I., dated 30th May 1898.

The execution by the Public Works Department of the work referred to is sanctioned, the contribution to be paid by the Travancore Darbar being realized on its completion.
