G.O., Mis. No. 15 M., dated 4th January 1898.

From the Chairman, Municipal Council, Ootacamund, dated 11th December 1897, No. 3990.

With reference to paragraph 3 of G.O., No. 2156 M., dated the 2nd October 1897, I am desired to report that the municipal council approves of the proposals made by the Government regarding the improvement of the water-supply to the town, viz.:—

	RS.
To line the existing Snowdon channels with masonry and to divert into the southern channel a stream above the Government gardens	23,900
To construct a pipe head reservoir on the Kodapamund valley stream	3,740
To conduct the water from this new reservoir to the houses along the Kelso road and to the villages of Kodapamund and Vannarpetta	8,060
Total	35,700

2. I am also desired to request that the Government will be pleased to allow Mr. J. F. Somers-Eve, Executive Engineer on special duty at Ootacamund at present, to carry out the works referred to as the municipality has no competent subordinate in its employ to do so.

Order—Mis. No. 15 M., dated 4th January 1898.

The improvements to the water-supply of Ootacamund referred to in paragraph 3 of G.O., No. 2156 M., dated 2nd October 1897, which are estimated to cost Rupees 35,700, are sanctioned.

2. The municipal council is requested to place at the disposal of the Public Works Department a sum of Rs. 35,700, out of the balance of the Provincial grants amounting to Rs. 1,63,000, which it has already received on account of the water-supply scheme.

3. The Public Works Department is requested to put the work in hand at once. Its attention is drawn to the Chairman's remarks in paragraph 2 of his letter.
