FROM

Chingleput
Collector's Office,
Saidapet, 16th May 1898

J. H. Robertson Esquire
Collector of
Chingleput District.

To

^{Joint}
THE SECRETARY TO GOVERNMENT,
Public Works DEPARTMENT,
Madras.
Thru: the Secretary to the Commissioner of
Revenue Settlement and Director of the Dept. of
Land Records & Agriculture, Madras.

With reference to Government Order
8285 J, Public Works, dated 22nd January 1897,
communicated with Board's Proceedings
822027 Moio, (Rev. Sett.) dated 18th March 1897,
I have the honour to state that the repairs
to the Pallipattu Hissa tank in the Madras
-rantakam taluk have not been executed
as the procedure prescribed in Sections 5 and
7 of Act IV of 1886 was not strictly followed.

A fresh order dated 14th June 1897, under
Section 5 of the Act was issued to
the President, Devasthanam Committee
(the Dharmakartas of the temple having
resigned their appointment) requir-
ing him to carry out, within 4 months from

the Collector

Enc. No. 1 to B's General Reg. No. 125 of 1898

of the notice, the repairs specified
the plan and estimate forwarded
within, or to show cause within 3 weeks
on the date of service of the notice
by he should not carry out the same,
contribute his share as specified in the
statement prepared under Section 4. Copies
of the statement in vernacular were also
fixed in conspicuous places of the village.
The President in his letter No. 413 dated
30 June 1897, replied that the temple
had no funds to meet the expense
of the repairs and requested that the
same might be postponed till March 1898
as the monsoon was fast approaching
and that a loan repayable in 20 annual
instalments might be granted to him
on the security of the Shrotriam village
& Pallipattu.

The loan asked for was refused
as the security offered was an unen-
franchised inam, and a notice dated
20 September 1897 was issued to the
President, under Section 7 of the Act
allowing three months' time to carry

out the measures specified in the
order dated 14 June 1897. The President
was also requested to state whether
he could give any collateral security
for the amount of the loan asked for.
In his letter No. 138, dated 10 March 1898,
he expressed his inability to execute
the repairs to the tank as the loan asked
for by him on the security of the
Shrotriam village was not granted and
that no collateral security should
be furnished.

3. As the landholder has not carried
out the measures specified in the order
referred to above I request that the
Government will be pleased to renew
its sanction conveyed in the Government
Order under reference. The cost, after
deducting the proportionate contribution
from Government, will be recovered
from the President of the Dwastanam
Committee.

4. The records are submitted as per
enclosed list.

I have the honor to be
your most obedient servant,
H. Subramanian
